Phil Burks, GenCore President, announced (5/26) plans to construct a 34,600 sf LEED certified building at the corner of Paluxy and Eagle's Nest.

10 new jobs are projected within the three Genesis Group companies over the current 28.

The Tyler City Council (5/26) and the Smith County Commissioners Court (6/8) voted unanimously to grant the project a tax abatement on \$12 million investment for 4 years.
